## What Rush Lake Means To Me

**R**ocket

My family and I pull our "Rocket" inner tube behind our boat for hours of laughs, funny videos, and awesome stories to tell.

**U**topia

The beautiful scenery and homes around the lake are really fun to look at. My family and I spend hours motoring around the shoreline admiring them.

**S**wimming

When we get warm, my brother and I hop into the water to cool off and throw a football around.

**H**ook

My greatest secret in catching the biggest fish in our family's "Biggest Fish Contest" is my sharp hook, (although I usually just claim catching the fastest when I do not catch the biggest!! ☺).

**L**oons

Watching and listening to these beautiful birds and their babies float around all day on the pristine water.

**A**sleep

I always end up falling asleep sometime on the trip, whether from reeling the biggest (or fastest) fish or from the gentle rocking of the boat on the water.

**K**ustom

The name I gave my homemade fishing rod, which is currently the record holder in my family for most casts into the weeds!!

**E**ating

My personal favorite part of Rush Lake trips. We always buy a lot of Girl Scout Cookies because these are our "boat" cookies. We munch and eat them all day long whenever we make the trip to Rush Lake.
