## ANNUAL MEETING UPDATE:

Our Annual Meeting on June 17<sup>th</sup> was well attended. There was a great deal of interest on Eric Telander's presentation on our watershed and ways that we can do our part to improve the water quality on Rush Lake. **Google "Restore Your Shore"** to link to the MN DNR for more information on shoreline management, including a list of native plants suitable for your shoreline. Thank you to the members who volunteered at the Annual Meeting, it would not have been a successful event without your contributions. Special appreciation to Sidelines Sports Bar & Grill for catering lunch to the 67 attendees!

### GUEST SPEAKER @ SEPT 16<sup>TH</sup> MEETING

Leslie George, Area Fisheries Supervisor, will be joining us to give an update on Rush Lake. Please plan to attend the Sept. 16<sup>th</sup> meeting!

*Mark your  
calendar;  
you won't  
want to miss  
these  
meetings!*
